Thanks for the update, Brianna. Just an FYI – the Ministry expects CEOs to participate, according to the meeting we attended last week.

Hi All,

Quick update, since our call last week we found out that Amazon will not be able to attend the food waste event. However, we are talking with Sodexo and Yum! Brands who both seem interested as our two business representatives and Rochester Institute of Technology as a research institution.

Hi [REDACTED]

Since we will be meeting on the afternoon of the 3<sup>rd</sup>, I will probably take an earlier train up to Siena on May 4<sup>th</sup>. There are a number of bilateral meetings I'd like to take before the reception. I am thinking of the 10:30 am train, #588, which arrives in Chiusi-Chianciano at 12:08. I will let you know as soon as I have a handle on schedules.

So, I would come to the embassy at noon for lunch etc. on May 3<sup>rd</sup> (hopefully with a chance to check in to the hotel and shower first!). We could do the call with [REDACTED] Anna and Brianna on the 3<sup>rd</sup> to discuss the food waste event. Please let us know what time would work.

Best, Hodayah

Spoke with hotel. They will need to call Alessandra before confirming. She is one of the people I sent to you to email with your reservation.

**Oggetto:** Save the date: G7 Communiqué Working Group 5-6 May 2017

Dear Colleagues,

following our meeting in Rome on 30 January, I would like to give you an update on the preparation of the Communiqué for the G7 Environment Ministers Meeting in Bologna.

We have received comments to the first draft text from most of the delegations and we have tried to incorporate them. We have also continued the discussion at the dedicated preparatory meeting held so far (Resource Efficiency, Green Financial Centers and yesterday in Paris on Climate Change and today and tomorrow on Environmentally harmful subsidies).

By the end of this week we will send you a revised text of the communiqué and we will continue the discussion over email. The final meeting for the preparation of the Communiqué is scheduled at the beginning of May.

I would therefore kindly ask you to book in your calendar the **5-6 May for the Meeting of the Communiqué Working Group**, which will take place in Abbazia di Spineto (Tuscany). In the coming weeks we will send you an official invitation along with practical information. We can already inform you that we expect to welcome you for dinner on the 4<sup>th</sup> of May. The meeting will start at 9.00 on the 5<sup>th</sup> of May and close by 4.00 p.m. on the 6<sup>th</sup> of May. We will facilitate your transportation to Abbazia di Spineto from Fiumicino Airport. We are arranging for a participation up to 1+4 people per delegation.

Looking forward to welcoming you in Tuscany

Best Regards

Francesco
